

ANQ RANKING LISTS

PREAMBLE & EXPLANATORY NOTES FOR CLUBS

These rankings have been compiled by Athletics North Queensland for the Association's own purposes. While every care has been taken in their preparation no responsibility for their accuracy is accepted. Updates and amendments should be advised direct to the ANQ office in Townsville. **Only ANQ registered athletes are eligible to be ranked.**

The ANQ Ranking Lists **conform to the age groups, implement weights, hurdle heights and race distances specified by Athletics Australia and are comparative to ranking lists kept in other states.**

The rankings cover the current calendar year.

Athletes younger than 12 years are not ranked.

Age groups are calculated as at 31 December in the year of competition with the exception of the Masters whose age is age on the day of competition.

Athletes aged **12** and **13** years are ranked as **Under 14.**

Athletes aged **14** and **15** years are ranked as **Under 16.**

Athletes aged **16** and **17** years are ranked as **Under 18.**

Athletes aged **18** and **19** years are ranked as **Under 20.**

Where an under age athlete competes in another age group or the open age group that particular performance is ranked in the age group in which they competed.

When an athlete is dual registered (Little Aths and ANQ) **only performances achieved while representing the ANQ section of their club are eligible for the rankings.**

Where **Dual Affiliated Clubs** conduct carnivals in which events up to Under 15 years conform to the **specifications laid down by Little Athletics** there are some variations in throwing implement weights, hurdles and walks. **Only those events that conform to the Athletics Australia's specifications are ranked.**
